- Appointments w/ juniors and seniors are cancelled on Monday, March 15 from 5—7 PM due to the Career Symposium (unless otherwise notified).

Tutoring Tip of the Week

Question-Response Timing

After you ask a student a question and they don't immediately respond, it can be tempting to fill in the answer for them. However, students need to time think through and formulate their answers. So instead, try silently counting to ten (slowly: 1-banana, 2-banana, etc.) and then rephrasing the question before you supply the answer.
