Weekly Hot Topics

- On **Wednesday, Sept. 23**, a screening is taking place in the morning at the tutorial center. If you have an appointment Wednesday morning, please check in at the desk as usual, then proceed to the computer lab. Please make sure you and your student are quiet when checking in at tutorial.
- Please note any **tests scheduled** during your session in your SAMS report, including date, time, and location.
- **Tutor Teams** will be meeting this week. Your Tutor Team Leader will be contacting you via email to confirm times, locations, and materials. If you are not yet in a Tutor Team, please contact Mike Bitton, mbitto1@lsu.edu, ASAP.
- Please continue to **check in** with your students at the Tutorial Desk. As the semester progresses, you and your student may find a favorite spot in the center, but continue to begin each session by checking in before proceeding to your locale of choice.
- The **Cancelation Policy** is that the student must cancel:
  - 12 hours in Advance
  - Through their **Advisor** only

### CRLA Curriculum

#### Team Meeting 2 Topics

- **CRLA Level 1**
  - Note Taking & Content Area Reading
- **CRLA Level 2**
  - Group Tutoring
As part of the **Summer Academic Success Program (SASP)**, around 40 freshman from 8 sports spent the summer learning valuable life and academic skills. Workshops included classroom preparation, leadership, financial management, community service, media training, and others which will aid them in their LSU careers and beyond. This summer, the students were divided into teams and competed against one another during workshops and study sessions. The winning team was The Purple Turtles, consisting of Sam Montgomery (MFB), Damar Forbes (MTI), Morris Claiborne (MFB), and Josh Williford (MFB). Those students were named Student-Athletes of the Summer and are up on bulletin boards on the north entry hall. If you are interested in finding out more information on becoming involved with the SASP program, please contact Leah (lsaal1@lsu.edu).

### Tutor Spotlight

**Name:** A. Beau Ferguson  
**Role:** GA for Math  
**Semesters @ ACSA:** 4  
**Researches:** Graph and Matroid Theory  
**Tutors:** Math  
**Fun Fact about Beau:** Favorite movie: *Boondock Saints.*

Beau is an excellent resource for strategies on Math tutoring sessions. He can also help you with many of your questions concerning procedures of the Student Learning Program.

### Tutoring Tip of the Week

**CREATE A CROSSWORD PUZZLE!!**

At puzzle-maker.com, you can create a crossword using information from notes or textbooks! It’s a fantastic tool. Click on ‘word search’ or ‘crossword.’ Once you’ve entered the information, click on ‘create puzzle,’ then click on ‘show puzzle as web page.’ Charlotte Guedry will create a compilation of them for us, so once you create one, email charlotteguedry@gmail.com.
